To the families we are privileged to serve:

The following information reflects our commitment to provide consumer information to each family in an effort that they may make informed decisions about cremation, funeral and burial services. We have prepared this important packet so that you are aware of all the services that are available to you as well as the specific costs for each of those services. You may choose any of our packages which include our charge for our professional services. This list may not include prices for items that you may ask us to purchase for you. The price for these items will be shown on your bill or statement describing the additional funeral goods or services you selected.

Our goal is to help each family make sound, clear, and rational decisions whether you are making cremation or funeral arrangements today or gathering information for the future. Should you decide to Pre-Plan your own arrangements, further assisting your family through the difficult time following your death, All Season Burial & Cremation can provide Pre-Planning information. If you elect to Pre-Pay your final arrangements, it can help eliminate the financial worries and difficult decisions that arise after a death occurs.

We feel confident you will find all the information you need within these pages. However, should you have any questions or would like to set an appointment to complete or pre-arrange funeral arrangements please do not hesitate to call. For your convenience, we are able to complete arrangements in your home, a health care facility, via fax, email or through the mail.
